Brick exterior

- Power wash entire exterior of the brick and limestone and spot tuckpoint mortar as needed then seal the brick and limestone with a non color changing sealer
- Color tone brick in areas where may need patching and old areas that currently do not match by use of Nawkaw Architectural color design match technology staining

Exterior Entry Doors

- Remove existing Storm door system
- Replace existing Main entry door to be similar to the door provided in the photo
- Add new entry door at secondary porch entrance to match the main entry door
- Entry door color: Mahogany

Exterior Entry Doors

- Remove existing entry door to the North East side of mansion and replace with a smaller version of the main entry door very similar in design to the original
- Entry door color: Mahogany

Windows

- Remove existing windows and replace with Pella Lifestyle Series windows with window profiles to be similar to the original window units
- Save existing leaded glass window panels and reuse the leaded glass panels on the front elevation mounted on interior of new window units as interior shutters which will allow the view of these decorative leaded glass units from the exterior
- Exterior window color to be white as it appears was original color

Roof

- Remove existing shingles
- Replace shingles with new shingles that would be Architectural grade Certainteed
- Original shingles appear to be red / orange clay tiles
- Shingle color: Certainteed Weathered Wood
